### Glendale Water Services

Reliability • Quality • Value

## A Message from Councilmember Lauren Tolmachoff

Community volunteer work is invaluable to the City of Glendale. In 2014 approximately 2,599 citizens volunteered to serve our city. These volunteers assisted departments citywide by providing over 71,000 hours of service.

There are two programs sponsored by the City of Glendale that provide volunteer opportunities. The Glendale Star Volunteer Program offers residents the opportunity to volunteer in departments within the city. The Community Volunteer Program is designed to improve the quality of life for Glendale residents and volunteers through valuable public service projects. Examples of some recent projects include groups who have volunteered to clean up vacant properties or organized to paint an elderly or disabled resident's home.

Another way residents can volunteer to serve is on one of Glendale's 18 Boards and Commissions. By volunteering to provide valuable feedback to our elected officials and city leaders, residents play a vital role in our city. I encourage you to consider submitting an application for appointment to one of Glendale's Boards and Commissions.

On behalf of the City of Glendale, I extend my gratitude and appreciation to the volunteers who give so much of themselves to improve our city.

For more information on serving on a Board or Commission, please call 623-930-2249. To personally speak to a volunteer coordinator, please contact Michelle Yates, Neighborhood Services Coordinator by telephone at 623-930-2044 or by email at [myates@glendaleaz.com](mailto:myates@glendaleaz.com).
